

WERRIBEE STAKE CENTRE

27 Shaws Road,
Werribee, Victoria, Australia

OVERVIEW: Religious Centre

PROJECT VALUE: \$2M

ROLE: Project Manager, Superintendent

DESCRIPTION

With one of Baracon's director's recent experience in delivering the St. John Luther Church in Southgate the company appointment on the Werribee Stake Centre seemed a logical progression into this sector. It in fact became the second of 3 projects with the Church of Jesus Christ of Latter Day Saints.

This \$2m facility involved in construction of a new prayer/congregation area with associated services and breakout spaces.

As with such buildings they have a long life and specific use therefore the details are particularly important.

High ceilings adorn the congregation areas with acoustic panels and audio visual technology critical to allow all to hear.

Full kitchen facilities provide catering to visitors with lounge area for other church functions to be held. Offices for the churches administration were also a part of the scope.

The project was completed on time and within budget.
